STATE OF MARYLAND OPTIONAL RETIREMENT PROGRAM (ORP)
Instruction Sheet for Completing and Submitting an ORP Retiree Health Benefits Enrollment Packet

Enrollment packets may only be submitted within 60 days of a qualifying event (retirement is a qualifying event) or during an Open Enrollment period. Enrollment packets not received within 60 days after your retirement date cannot be processed, and you will have to wait until the next Open Enrollment period or until you experience another qualifying event to enroll.

Retiree health benefits cannot begin until the month in which you receive your first periodic distribution. With a direct retirement, if your employee coverage in the State Employee and Retiree Health Benefits Program does not provide coverage through the end of the month before retirement, you will have a break in coverage. During this period, you may enroll under the Consolidated Omnibus Budget Reconciliation Act (COBRA) with no State subsidy and a 2% administrative fee. ORP retirees and their surviving beneficiaries must be receiving periodic distributions from a Maryland ORP account to maintain eligibility for Retiree health benefits. If periodic distributions from the Maryland ORP end, eligibility for health benefits ends also. If Maryland ORP distributions restart, the retiree/beneficiary can re-enroll within 60 days of the restart date or during Open Enrollment by submitting a Retiree Enrollment Form for Health Benefits together with Form 5, Verification of Maryland ORP Retirement.

Please review the State of Maryland Health Benefits Guide distributed each Open Enrollment period regarding:
- Eligibility and State subsidy for ORP retirees and dependents; Medicare requirements for full coverage in a retiree group; COBRA; qualifying events outside Open Enrollment; plan changes that may occur in the new plan year.

The ORP Retiree Health Benefits Enrollment Packet Forms are listed below. Complete the checklist on side 2 of this form and submit it with all of the required forms as one packet to the Employee Benefits Division (EBD).

**ORP HEALTH BENEFITS**

- **Retiree Enrollment Form for Health Benefits** and, if applicable, Dependent Verification Documentation for new or re-enrolled dependents with a break in coverage (see the annual Health Benefits Guide for dependent documentation for eligible dependents). Documentation is not required for dependents who have continuous coverage from your active employee coverage to retiree coverage.

*NOTE: An Agency Benefits Coordinator at the Maryland institution where you work may assist you in collecting the necessary information and completed forms; all forms must be completed and signed. Note that you are responsible for ensuring that all required original forms are submitted to the EBD on time. Please keep a copy.

**Premium Billing and Payments**: After the EBD processes your enrollment packet, a cover letter explaining the payment process will be mailed to the home address you provide in this packet along with monthly payment coupons. You may not skip a coupon payment, and all coupons must be paid at least monthly, beginning with the first coupon provided. Failure to pay a monthly premium within the 30-day grace period may result in the loss of coverage for the remainder of the plan year. Multiple coupon payments may be made in advance, if desired.
