Rosario I. Van Daalen  
UMSO  
Chancellor’s Liaison to CUSS

1. Welcome – Associate Vice President for External Affairs – Dave Nemazie
   a. 1 of 4 labs across the state.
   b. Producing 1.2B spat (oyster larvae) – largest on the east coast
   c. Focus on plantonic area of the bay – upper portion of the bay
   d. UMCES focuses on the environment; for Marylanders this focus is on the Chesapeake bay and surrounding areas; there are graduate students who work on MS/PhD degrees jointly with other USM institutions; Budget is about $25 million dollars; 75% of the work is done in Maryland/Chesapeake Bay/Coastal Oceans; 25% done globally; UMCES is a mission-driven institution to provide information to decision makers related to the restoration and conservation of Maryland; the staff members at UMCES embrace the
mission and have a great appreciation for the environment; there is an oyster hatchery located at Horn Point – this is the largest oyster hatchery in the country; in the summer this is running 7 days a week with long hours; focus on plankton area of the Chesapeake Bay; focus on the circulation of the Bay; buoys set up to monitor Bay.

   a. Motion by Bill Crockett to dedicate the July meeting in memory of Anthony. Second by Dana Wimbish. Motion carried unanimously. (See beginning of minutes)
   b. Additions to the newsletter – a tribute to Tony and Scott Wibber and perhaps we should include a retiree and necrology column.

3. Consent Agenda –  
   [http://goo.gl/igOFDe](http://goo.gl/igOFDe)

4. Approval of the Minutes –
   a. April Minutes – Motion for approval by Roy Ross, 2nd by Mary Hickey
   b. June Minutes – Motion for approval by Karen Tyler, 2nd by Sherrye Larkins

5. Chair’s Report –
   a. Three policies passed
      i. Separation for Exempt Staff
      ii. Terminal Leave for Faculty
      iii. Correction to the Annual Leave Policy
   b. BOR Award Winners were all approved and letters were sent to the winners and their respective Presidents. The winners will be recognized at the BOR Meeting on September 19, 2014. Bill thanked Jen Ziegenfus and her committee for their hard work. Bill will share the packet of 7 of 8 winners.
   c. CUSS Resolution for Chancellor Kirwan was well received at the June 2014 BOR Meeting.
   d. July 7, 2014 Chancellor’s Council Meeting
      i. $6.35M reduction for the system, from the state general fund allocation which equates to less than half a percent. This will not impact COLA and Merit increases. Each institution can determine how to address the shortfall or give back.
      ii. Chancellor Search Committee – Council has been invited to attend a conference call with the firm conducting the search. The call has been scheduled for July 28, 2014 with the executive committee and the committee chairs of CUSS.
      iii. Sexual Misconduct Policy – task force has been formed. Bill Crockett has been appointed to represent CUSS.

6. Chancellor’s Liaison’s Report
   a. Survey was distributed to CUSS members to get opinions on the USM website which is under review and redesign.
   b. Tuition Remission proposal from CUSF/CUSS: intent was agreed upon, the policy has not been approved yet; this still needs to go through the Board of Regents; once revisions have been completed, Rosario can share the updated policy with CUSS; this policy
applies to staff and faculty; this removes the hurdle of spouses/dependents being limited to the staff/faculty member’s home institution and will cover 50% of cost.

c. Health Care Reform Act goes into effect on January 1, 2015. Information on who the State will cover or not will be forthcoming. We still don’t know the employment measurement period for part-timers to qualify for the health benefit. HR Training is scheduled for August 19, 2014.

7. Committee Reports
   a. Each committee should have three main goals and two secondary goals.
   b. Each committee chair gave a brief description of the committee for new members.

8. Committee Updates – Due to time, each committee is to submit their goals and rosters to the Dana (Vice Chair) prior to the August meeting at Salisbury University.
   a. Benefits and Compensation
   b. Board of Regents Awards
   c. Communications and Marketing
   d. Legislative Affairs & Policy
   e. Executive Committee

9. Old Business
   a. CUSS Archive Work - work in progress throughout the year
   b. Items Moved off Consent Agenda
   c. New Member Packet – vote on approved changes in the New Member Packet
      o Motion by Bill Crockett, Second Keisha Campbell
      o Approved.

10. New Business
   - If you have institutional updates, please send those to Bill.
   - Member-at-Large nomination – will take nominations in August, voting to take place in August
      o Keisha Campbell
      o Christine Perchell
      o Trenita Johnson
   - CUSS Meeting Schedule – approved as amended for 2014 & 2015
   - Question arose about the rotation schedule for 2015/16 – 2020/21 terms. Bill will present two models at the August meeting.
   - UMUC changes – July 18, 2014 a town hall meeting was held to discuss potential restructuring and changes to address financial issues and low enrollments; one proposal is to go to a non-profit institution model, affiliated with USM; UMUC is facing a business-model change and consultants have come in to discuss different models; UMUC CUSS representatives will keep CUSS up to date; there are a lot of questions/concerns that will need to be addressed and answered in the future
      ✐ CUSS members – please think about questions and concerns you have and share them with UMUC representatives

11. Next Meeting – August 12, 2014 at Salisbury University
AGENDA

July 22, 2014
University of Maryland Center for Environmental Science
Horn Point Laboratory
10:00 a.m.
